DESCRIPTION:

CREEDENCE CLEARWATER REVIVAL: 6-CD BOX SET

is a comprehensive collection which contains all of the band's prolific stretch of songwriting and recording from the '60s through the early '70s. The set includes all seven of their studio albums, two complete live albums and pre-Creedence material recorded under previous band names, **The Golliwogs** and **The Blue Velvets**.

Among the 121 tracks are the well-known iconic hits, the ones that have become a part of the collective musical consciousness of the past four decades and beyond all here in the collection: **Proud Mary, Bad Moon Rising, Fortunate Son, Who'll Stop the Rain, Lookin' Out My Back Door, Travelin' Band, Down on the Corner**, and many more. The set features those iconic hits in the first four discs alongside their worthy companion recordings from the full studio albums. Discs five and six contain live recordings from performances in venues all over the U.S., UK and Europe; all of the live material gathered here speaks to the band's continued global appeal.

ABOUT THE ARTIST:

Creedence Clearwater Revival is arguably the definitive American rock band. Hailing from the San Francisco Bay Area and borrowing heavily from the musical traditions of the Deep South, the gritty and powerful foursome served up a potent stew that appealed to a broad audience not just in the States but around the world. Their creative arc was relatively brief yet highly influential, and some four decades after their heyday, their straight-ahead raw energy continues to echo in the rock and pop sounds of the modern day.
